BLOCK 14: DESCRIPTION OF MODIFICATION

- a. The purpose of this amendment is to provide answers to questions submitted in response to RFP N00178-03-R-3002 issued on 1 November 2002.
- b. The solicitation closing date of 10 January 2003 remains unchanged.
- c. The questions and answers are identified as follows:

(1) QUESTION

Section L, Ddl-L26, paragraph (5), page 97 of 118, requires the offeror to provide a copy of the CPARS evaluation for each past performance reference, if available, in the written proposal. Paragraph (5)a.(1)(I), page 98 of 118, reiterates that requirement. Because CPARS is available electronically to Government personnel and is intended to facilitate past performance evaluations and because inclusion of CPARS data in a proposal would require subcontractors to share sensitive and proprietary information with the prime contractor, will the Government consider eliminating the requirement to submit a copy of the CPARS in the written technical proposal or allow submission of subcontractor CPARS in a sealed package?

(1) ANSWER

Any proposed subcontractors may submit any sensitive proprietary information, including Past Performance information, directly to the Contracting Officer or to the prime contractor in a sealed package.

(2) QUESTION

Section B, page 2 of 118, states "the Government shall award one contract for each CLIN for a total of three contracts." Will a different COR be designated for each of the three contracts?

(2) ANSWER

The Government will identify the name/s and number of Contracting Officer's Representatives at time of award.

(3) QUESTION

Section L, Ddl-L26, paragraph (5)a.(1)(B), page 98 of 118 requests the offeror to provide information on "Contract Terms/Amount/Value." Can we assume Contract Terms means period of performance, Contract Amount means the negotiated contract amount and Contract Value means the funded value of the contract to date? If this is not a correct interpretation, please clarify these terms.

(3) ANSWER

Delete the word "Value". The information requested is Contract Terms/Amount. This refers to the type of contract and total contract amount.

(4) QUESTION

Section Ddl-L26 (a)(3), page 95 of 118 requires a Senior Facilities Engineer but Section H, Ddl-H14 (b), pages 58 and 59 of 118 do not. Please clarify the requirement for a Senior Facilities Engineer.

(4) ANSWER

The Senior Facilities Engineer is not a required labor category. The number of Key Personnel Resumes required for CLIN 0001, referenced on page 95 of the RFP, is hereby corrected to reflect the following:

CLIN 0001
CONTROL PROGRAMS/SYSTEMS

KEY LABOR CATEGORY	NUMBER OF RESUMES	CLEARANCE REQUIRED
Program Manager	1	SECRET
Principal Engineer	1	SECRET
Senior Systems Engineer	22	21 – SECRET 1 – TOP SECRET
Senior Systems Analyst	1	SECRET
Senior Warfare Analyst	1	SECRET
Senior CMM/CMMI Engineer	1	SECRET
Senior Software Engineer	10	9 – SECRET 1 – TOP SECRET
Senior Data Manager	1	SECRET
Senior Configuration Management Specialist	1	SECRET
Senior Cost Analyst	1	SECRET
Total Resumes	40	38 – SECRET 2 – TOP SECRET

(5) QUESTION

In Section C, both CLINs 0001 and 0003, pages 6 and 26, require support for the Joint Interface Control Operator (JICO) program. Please clarify the intended allocation of work between the 2 CLINs for the JICO support requirements.

(5) ANSWER

The reference for Joint Interface Control Officer (JICO), on page 26 of the RFP, is hereby deleted from Paragraph C.2 of the Statement of Work for CLIN 0003.

(6) QUESTION

Can the same individual be bid in a Key Labor Category for more than one CLIN? In other words, if an offeror bids on more than one CLIN, can he include the same resumes for consideration for all or part of the key personnel resumes identified in Section L in each CLIN bid? If the same key personnel resumes can be proposed on more than one CLIN, how will the Government reconcile the requirements of paragraph H11 of the solicitation in the event an offeror wins more than one CLIN?

(6) ANSWER

Offerors may propose the same individual on different CLINs. However, the total number of hours proposed for the individual may not exceed a full-time manyear. Offerors are required to have all resumed key personnel available as proposed at time of contract award. The terms of Clause DdL-H11, Changes in Key Personnel, shall be enforced.

(7) QUESTION

Is Crystal City, VA considered within the one hour surface travel time arc of Dahlgren, VA Section H "Mandatory Requirements" of the RFP is germane.

(7) ANSWER

Crystal City, VA does not meet the requirement of one hour surface travel time as specified in "Mandatory Requirements," Section H of the RFP.

(8) QUESTION

Will the Government identify all applicable CM and QA directives to which the successful offeror will be expected to adhere? Paragraph C.2.6 of the SOW is germane.

(8) ANSWER

Any internal or external CM/QA directives that the contractor must adhere to will be specified in specific Task Orders.
